How to make a Home Fire Escape Plan

NFPA®

The Official Sponsor of Fire Prevention Week Since 1922

- ☐ Draw a map of your home. Show all doors and windows.
- ☐ Visit each room. Find two ways out.
- ☐ All windows and doors should open easily. You should be able to use them to get outside.
- ☐ Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
- ☐ Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
- ☐ Make sure your house or building number can be seen from the street.
- ☐ Talk about your plan with everyone in your home.
- ☐ Learn the emergency phone number for your fire department.
- ☐ Practice your home fire drill!
- ☐ Make your own home fire escape plan using the grid provided on page 2.

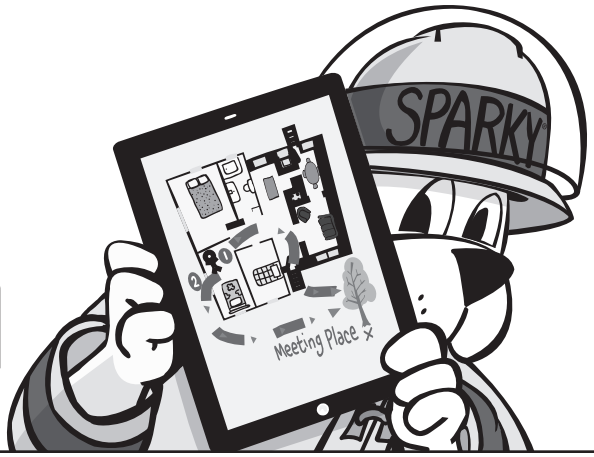
How to make a Home Fire Escape Plan

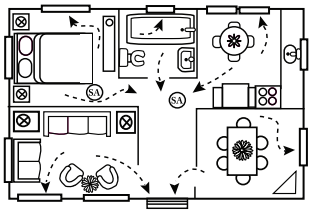


Memorize your fire department's emergency phone number and write it below:

_____

NFPA®

The Official Sponsor of Fire Prevention Week Since 1922



- Draw a floor plan or a map of your home. Show all **doors** and **windows**.
- Mark **two ways out** of each room.
- Mark all of the **smoke alarms** with (SA). Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
- Pick a family **meeting place** outside where everyone can meet.
- Remember, **practice** your plan at least **twice a year**!

Grown-ups: Children don't always wake up when the smoke alarm sounds. Know what your child will do before a fire occurs. Get more information on smoke alarms and escape planning at **www.nfpa.org/factsheets**.
